

# Kartonmaschine 2400 mm, 120 tato

## Artikel-Nr. 4969

### Technische Daten:

|             |                                  |
|-------------|----------------------------------|
| Maschine:   | Kartonmaschine 2400 mm, 120 tato |
| Hersteller: | Voith                            |
| Typ:        | Board machine                    |
| Größe:      | 2400 mm net width                |
| Kapazität:  | 120 t/day                        |
| Jahr:       | None                             |

### Beschreibung:

|                                  |             |
|----------------------------------|-------------|
| Paper Machine Manufacturer Name: | VOITH       |
| Product Type:                    | Solid Board |
| Wire Width:                      | 2900mm      |
| Product Net Width:               | 2400mm      |
| Working Speed:                   | 70-170m/min |
| Product Weight Range:            | 500-1100gsm |
| Total Length of Production Line: | 100m        |
| Capacity:                        | 120 ton/day |

### Production Line Description

**Waste Paper Refining, Pulping, Cleaning, board machine, Laminating -. Rewinder -Unloader Packing**
