Kartonquerschneider Jagenberg Simplex Synchro 28, 2400 mm

Artikel-Nr. 5065

Technische Daten:

Maschine:	Kartonquerschneider Jagenberg Simplex Synchro 28, 2400 mm
Hersteller:	Jagenberg
Typ:	Simplex synchro sheet cutter SYNCHRO 28
Größe:	2400 mm
Kapazität:	ca 200 m/min
Jahr:	None

Beschreibung:

Jagenberg simplex cross cutter model SYNCHRO 28, 2400 mm working width for processing various types of cardboard 180 - 450 g/sqm

TECHNICAL DATA

Cross knife load : 700 - 800 g/sqm depending on the cleanliness of the cut Cutting

Accuracy: up to 1000 mm sheet length + 1 mm over 1000 mm sheet length. + 1 0/00 measured on consecutive sheets of the same Role

Longitudinal cut: narrow cutting width 400 mm

Format range 600 - 1800 mm

max. speed... 250 m/min. in continuous operation: max. speed 150 m/min. when changing stacks with bar grating :

Included in scope of suppy is a pallet packing machine
