

Drum Refiner Andritz Papillon CS 380

Gebrauchtmaschine | Artikel-Nr. 5614

Technische Daten:

Maschine:	Drum Refiner Andritz Papillon CS 380
Hersteller:	Andritz
Typ:	Papillon CS 380
Größe:	None
Kapazität:	2500 kg/h
Jahr:	2000 s

Beschreibung:

Refiner:

type: Papillon CS 380

manufacturer: Andritz

RPM: 700- 1400 U/min

Flow: 400- 1200 l/min

Capacity max. 2500 kg/h

Outlet pressure max. : 5,5 bar pine

Stock consistency: 3,8%

Power max. : 300 kW

Gentle fiber treatment with low energy consumption

Features and benefits:

Reduced energy consumption due to low no-load power

- Constant fiber properties
- Even gap inside the whole refining area
- Wide range of refiner fillings tailored to the respective type of fiber
- Shortest possible down-time due to excellent and comfortable access to all stator plates and the cylinder
