

Paper machine 8130mm

Gebrauchtmachine | Artikel-Nr. 6128

Technische Daten:

Maschine:	Paper machine 8130mm
Hersteller:	Voith
Typ:	None
Größe:	8130mm
Kapazität:	None
Jahr:	1990's

Beschreibung:

GSM: 40-51.8g/m²

Production capacity: 750ton/day

Paper Grade: Newspaper

Total draw: 4.49%

Speed: 1700m/min(Design speed), 1600m/min(Normal speed),

Head box:

Manufacturer: Voith

Pont width: 8850mm

Model: Module J

Wire part:

Manufacturer: Voith

Wire width: 9050mm

Model: Twin wire type (DUO-CFD)

By CFD former, improved front and back differences To be done

Press part:

Manufacturer: Voith

Model: DUO Centering- 2

1P bottom: shoe press (max. line pressure: 200kN/m)

2P: suction press (max. line pressure: 90kN/m)

3P: shoe press (max. line pressure: 1000kN/m)

By 1P shoe press, dehydration in paper front and back
can be uniforms

Size press:

Type: Gate roll size press

Air turn equipped

Calendar:

Type: 1nip 2 stack, soft calendar, soft roll

Max. line pressure: 200kN/m

Max.heat roll oil temperature: 200

2 / 2 CLP control:

Pre dryer:
